Phone: 263-5125

Date: 9/5/02 - 9/10/02

Problem Statement: To modify an existing monkey cage restraint device. (Note: problem statement will be refined after we actually have our project described to us by our client).

Restatement of Team Goals: No restatement. Only the first week.

Summary of Accomplishments: We have met each other and exchanged contact information. We have divided up into smaller teams of two and assigned team roles. We have a meeting set up with our client Friday at 1:00 PM.

Statement of Team Goals: This week, we want to meet with our client to gain a better understanding of the problem and then divide into our smaller groups to begin our researching and brainstorming.

Rough Project Schedule:
9/12/02: Meet with client
9/26/02: Complete Brainstorming
10/10/02: Evaluate Ideas, Mid-Semester Presentation
